

Providing the Future in IT.

USNETS INSTITUTE RESIDENCE APPLICATION

USNETS Institute is able to offer full-time students modern residence space at the Terrace Campus. As SPACE IS LIMITED, we recommend that you reserve early to ensure limited inconvenience on arrival. All rooms are equipped with a bed, study desk, dresser and closet for each student. There are one two storey residence buildings; each floor has a washroom with showers, a lounge with TV, a laundry room with washer and dryer, fridge, microwave oven and pay telephone. Blankets, pillows, sheets and pillow covers are available at a small charge of \$25.00 for people who choose not to bring their own bedding. Students should bring their own towels, face cloths, soap, laundry detergent, etc.

Students may also wish to bring such items as an iron, alarm clock, small portable radio (students are advised not to bring expensive radios, tape recorders or stereo equipment).

*** Pets are strictly prohibited.**

Providing the Future in IT.

Once a student has been accepted to their program of study a "Room Assignment Offer" will follow. This fee then becomes your security/key deposit.

A space in residence is not guaranteed by payment of this \$200.00 fee.

Residence living naturally involves some loss of personal privacy. Students who are NOT prepared to follow residence policies are advised to find accommodation off campus.

There is no accommodation on campus for children
